A QUIET HEART.

COMP. & ARR. BY PETE MC GUINNESS

NOTES TO THE CONDUCTOR

- 1) "A Quiet Heart" is scored as a feature for the lead alto sax. The alto soloist should feel free to be expressive with the various composed melodic figures. At Letter D, the improvisation section of the arrangement, the soloist may improvise freely on the chord changes provided or play the composed solo in the part.
- 2) The rhythmic feel of this arrangement is a "Rock Ballad" and the general mood is soft and romantic. Be careful with the starting tempo which should truly be quarter note = 72. A faster tempo will feel rushed.
- 3) This composition contains an OPTIONAL CUT. You may utilize the cut as you see fit depending on the level of your group and your rehearsal time. The cut is from the end of measure 60 to measure 77 as indicated by the Coda sign. The composer would like you to consider performing his arrangement in its entirety.
- 4) The piano part has chord symbols for improvised comping. The Pianist may use the written voicings provided but should create rhythmic figures out of the whole notes in order to provide some space for the horn backgrounds and the soloist. All other passages should be played as written because they match the ensemble rhythms.
- 5) Be sure to insist that your students play the dynamic markings and all articulations properly which will give life and expression to this arrangement.
- 6) Learning time is always hastened when students can hear the recorded example which can be downloaded from the Smart Chart website or played from the Barnhouse website.

I hope you and your students enjoy this composition..... Pete Mc Guinness & Mike Carubia
